**On Monday, August 24<sup>th</sup>, 2020, Diabetes Canada will host the 3<sup>rd</sup> annual Ottawa Flame of Hope Charity Golf Tournament in support of Diabetes Camps.**

By the time you've finished reading this, another Canadian will receive the news that they have diabetes.

We are excited to share that last year our tournament raised over \$45,896 to support diabetes research. This year, we will be supporting D-Camps.

For many kids with Diabetes, there is often no one else in their school that can relate to living with Type 1 and they can struggle with being open about it. A diagnosis also brings a whole new set of skills for kids to learn, from how to test their blood sugar, and recognize a high or low, to maintaining a balance between food, insulin and activity.

At D-Camps, kids get a break from being different. It is one of the few places where everyone just gets it, and nothing has to be explained. Campers often go home with a new level of independence in managing their diabetes and a feeling of empowerment that helps them continue the healthy practices they learned at camp.

Our goal this year is to raise \$50,000 to send kids in the Ottawa region to D-Camps - we need your help now more than ever! Together, we can fight this epidemic and help support our fellow Canadians living with diabetes by giving them the tools and resources they need to live a long & healthy life.

As a sponsor your impact and visibility will be as follows:

**140+**

Community leaders and SME business owners to attend

**100,000+**

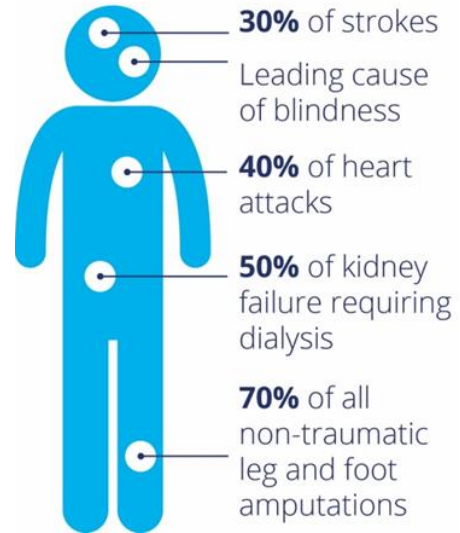

Engagements on Diabetes Canada social media sites

**30,000+**
